Vocabulary in Use Second Edition is

the perfect study aid for anyone

using English for their academic work. Ideal for students of any discipline, this second edition has been updated to reflect changes in education, technology and communications, includes a selection of new reading passages, and is now in full colour. Download English vocabulary In Use book Series - All levels I've used the first, second, and third editions of this book for a number of years in ESL classes taught at a community college. In general, this is an excellent grammar text, although many instructors I know have issues with the "fill in the blank" exercises that are the backbone of this text.
