Britannica Semiotics (also called semiotic studies) is

the study of sign process, which is any form of activity,

conduct, or any process that involves signs, including

the production of meaning. A sign is anything that

communicates a meaning, that is not the sign itself, to

the interpreter of the sign. The meaning can be

intentional such as a word uttered with a specific

meaning, or unintentional, such as a symptom being a

sign of a particular medical condition. Semiotics -
