GOV.WALES Sustrans' analysis of a transport strategy
for Wales demands that it achieves an environmentally
sustainable and socially equitable transport system.
The present transport system in Wales is neither of
these. In fact, our transport system is becoming even
more environmentally destructive, unfair, and
damaging to our health. Sustainable Transport for
Wales Today I am allocating funding of £15.4m to local
authorities to introduce measures to improve the
safety and conditions for sustainable and active travel
modes in their area in response to the Covid-19 crisis
and to achieve sustained changes in travel behaviour
in the future. Written Statement: Funding for local
