pdf free togo japan amusement ride product profiles from manual pdf pdf file

Togo Japan Amusement Ride Product Although the company built a variety of different rides in Japan, its export business was primarily roller coasters. In 1979, TOGO installed standup trains on two of its existing coasters in Japan, Momonga Standing & Loop Coaster, at Yomiuriland and Thrill Valley, creating the world's first Stand-up roller coasters. TOGO - Wikipedia TOGO Japan were Asia's answer to Intamin, supplying a stable stream of amusement rides throughout Japan, Korea, China, and Singapore since the late 1930s. However, breaking into America would take nearly a half-century, when they designed and installed stand-up trains for modified existing coasters for Worlds of Fun and Six Flags over Mid-America.
