desire of many millennials to upgrade from smaller properties, thanks to the new work-from-home trend. Additionally, you'll need to know how some buying trends have changed. That subway tile and farmhouse sink no longer matter nearly as much.

In some cases, you may also find free books that are not public domain. Not all free books are copyright free. There are other reasons publishers may choose to make a book free, such as for a promotion or because the author/publisher just wants to get the information in front of an audience. Here's how to find free books (both public domain and otherwise) through Google Books.
